

Yale SCHOOL OF THE ENVIRONMENT

Announcement

Greetings,

We hope this message finds you well and healthy. Attached you will find the flyer and the link of the short online course entitled ***"Forest Restoration in Agricultural Landscapes."*** This is the first in a series of short online courses:

1. Forest restoration
2. Agroecology and agroforestry
3. Silvopastoral systems

ELTI's online short courses offer the opportunity to explore different topics offered throughout the year. You can mix and match the courses that best suit your needs and interests.

You can find more information and register on our website:
<https://elti.yale.edu/events/restauracion2020>

Please feel free to share with your contacts.

Thanks in advance!

Regards,

ELTI team
